

Independent Contractor Statement

I MEET THE FOLLOWING REQUIREMENTS OF AN INDEPENDENT CONTRACTOR:

I maintain a separate business with own work facility.

I hold or have applied for a federal employer identification number, unless I am a sole proprietor and not required to have a Federal ID number under State or Federal requirements.

I perform or agree to perform specific services or work for specific amount of money and control the means of performing the services or work.

I incur the principal expenses related to the service or work that I perform or agree to perform.

I am responsible for the satisfactory completion of work or service that I perform or agree to perform and or could be held liable for failure to complete the work or service.

I receive compensation for work or services performed for a commission or on a per-job or competitive bid basis and not on any other basis.

I certify that I have read and agree to the above requirements.
